

Mepco Academic Regulations and Curriculum Information

Mepco Schlenk Engineering College (Autonomous) | Sivakasi, Tamil Nadu 626005

Filename: mepco_academic_regulations_curriculum_info.pdf

Descriptive knowledge-base document on UG/PG regulations, syllabus links, attendance, and special programmes.

Autonomous Status and Academic Framework

Mepco Schlenk Engineering College holds Autonomous Institution status, affiliated to Anna University, Chennai. As an autonomous institution, the college has the authority to frame its own regulations, design its own curriculum and syllabi, and conduct its own examinations. All regulations and syllabi are approved by the Academic Council and Governing Council of the college.

Attendance Requirements

Attendance is a mandatory academic requirement at Mepco. The following rules apply under the R2015 and subsequent regulations:

- Students must maintain a minimum attendance of 75% in each individual subject.
- The 75% norm already accommodates provision for unavoidable absences such as medical, personal, or sports-related absences.
- Students who fail to achieve 75% attendance in a subject are not eligible to appear in the end-semester examination for that subject.

Honours and Minor Programme (R2019 / R2023)

The Honours and Minor programme allows high-achieving UG students to earn additional credentials alongside their main degree.

- Eligibility: CGPA of 7.5 and above from the end of the second semester onwards.
- Students with CGPA 6.5 and above may register with the consent of the Head of Department.
- The programme consists of 6 theory courses of 3 credits each, totalling 18 credits.
- Up to 6 credits may be earned through online courses, preferably through SWAYAM.
- Registration is through the college web portal as per official notifications.

Pro-Internship Scheme

The Pro-Internship scheme is an academic provision under UG regulations allowing eligible students to complete their final-semester project work in an industry or R&D; organisation.

- Eligible from: VI semester (minimum CGPA 7.5 up to V semester).
- VIII semester theory courses may be completed in VI and VII semesters.
- VIII semester project is conducted as part of the internship period.

Special Courses

Special courses are short-duration courses offered during semester holidays to provide students additional learning opportunities.

- 15-hour special course: 1 credit
- 30-hour special course: 2 credits
- Credits from special courses are NOT included in the CGPA calculation.
- Available from semesters 4 to 7; maximum 3 special courses per student.
