Pro-Internship Scheme

The Pro-Internship scheme allows eligible UG students to gain industry experience in their final semester. Students with a minimum CGPA of 7.5 up to the fifth semester are eligible to register. The scheme allows students to complete their eighth semester project work in reputed industries or R&D; organisations, and placement opportunities may arise directly from the internship.

- Minimum CGPA required: 7.5 (up to V semester)
- Applicable semester: VIII semester project work completed during internship
- Placement opportunities may arise through the internship
